IS THIS PLACE REALLY FOR YOU?

LET'S KEEP IT REAL...THIS IS NOT A LUXURY STAY.
IT'S RUSTIC, SIMPLE, AND CLOSE TO NATURE.

We don't have WiFi (by choice) but phone data works well for sharing.

The space is a drug and alcohol free environment.

There's only one warm shower to share (but hey, cold plunges showers character!). You'll also find one shared indoor toilet in the house, plus eco-friendly compost toilets tucked around the land

The big kitchen is semi-outdoor, which means you'll be cooking with fresh air, and sometimes the occasional curious gecko.

If it rains a lot, it can get a bit humid, so pack cozy layers and an open mindset.

This place is for you if you love simplicity, raw beauty, and earthy vibes. If you're down for a stay that's more rootsy than refined, you'll feel right at home.

**WE ARE HERE TO HOLD SPACE FOR YOUR
VISION WITH CARE AND INTENTION. IF THIS
FEELS ALIGNED, WE'D LOVE TO WELCOME
YOU INTO OUR MOJO FAMILY.**

WITH GRATITUDE & EXCITEMENT,
