# **WELCOME TO THE HOUSE OF THE RISING MOJO**

**A sanctuary for connection, healing & growth**

**Located in the heart of nature near Ericeira, Portugal, the Mojo is a soulful oasis for rest and inspiration. Whether you're here to unwind, co-create, or dive into a retreat, we welcome you into our home with open arms and grounded hearts.**

A woman with long, wavy hair is seen from the side and back, wearing a light-colored, possibly cream or beige, sleeveless dress. She is sitting on a dark wooden deck or balcony railing. Her gaze is directed towards a lush garden filled with various flowers in shades of orange, yellow, and red. The lighting suggests it might be late afternoon or early evening, with warm tones. The overall atmosphere is peaceful and scenic.

# IS THIS PLACE REALLY FOR YOU?

**LET'S KEEP IT REAL...THIS IS NOT A LUXURY STAY.  
IT'S RUSTIC, SIMPLE, AND CLOSE TO NATURE .**

We don't have **WiFi** (by choice) but phone data works well for sharing. For **coworking**, try: Makai, Breakpoint, Hurley's, or Ospot in Ericeira.

The space is a **drug and alcohol free** environment.

There's only **one warm shower to share** (but hey, cold showers build character!). You'll also find one shared indoor toilet in the house, plus two eco-friendly compost toilets tucked around the land

The big **kitchen** is semi-outdoor, which means you'll be cooking with fresh air, and sometimes the occasional curious gecko.

If it rains a lot, it can get a bit humid, so **pack cozy layers** and an open mindset.

**This place is for you if you love simplicity, raw beauty, and earthy vibes. If you're down for a stay that's more rootsy than refined, you'll feel right at home.**
